WHAT'S THE MOST IMPORTANT THING YOU'VE LEARNED AT JUNIATA?

The importance of clarity and understanding in **Communication.** (David Powell)

Everyone has the right to think as an individual! (Janet Edgar)

Through interaction with others I think that I have better discovered where my values lie. (Hank Hallowell)

The most important thing that I have learned at Juniata is the discovery of myself, who I am. (David S. Magill)

How short time really is. (Diane M. DeRafelo)

The most important thing I've learned here is that I alone am responsible for whatever happens to me. I've learned I can do it by **myself!** (Donna Caton)

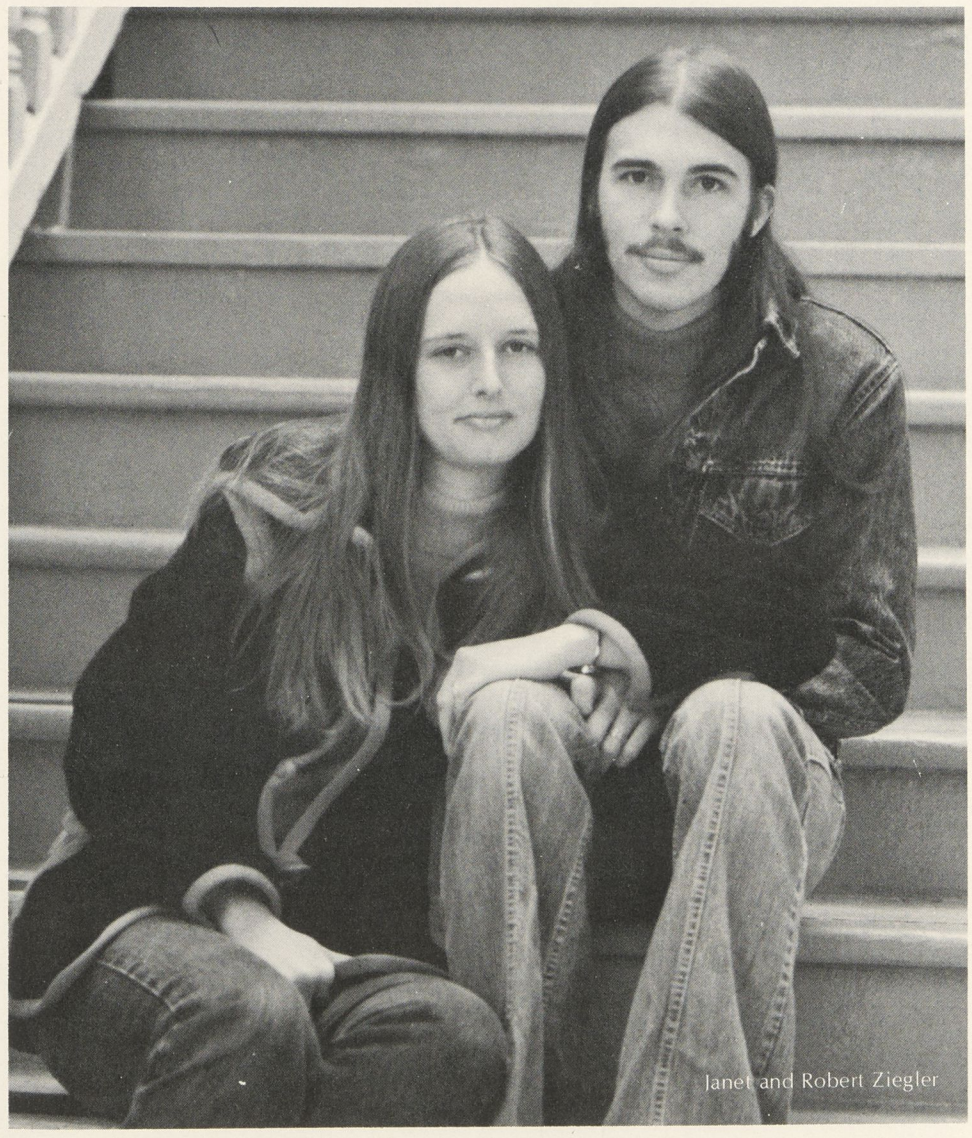

Doing the least amount of work for the best grade. (Kim Heath)

To keep my feet on the ground and keep reaching for the stars. (Doreen Patras)

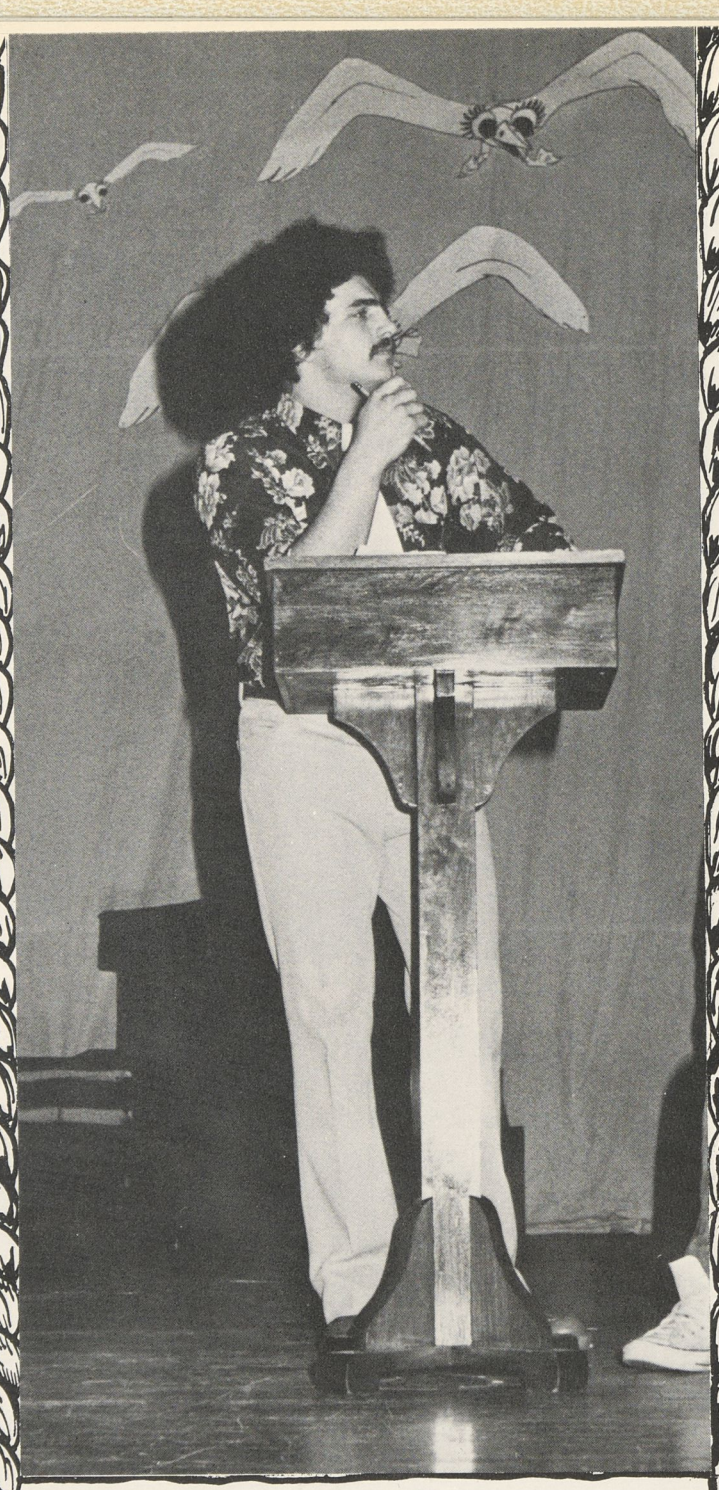

The most important thing I learned here was to be an individual, make my own decisions and to do this in a location where I could still learn and advance my education. (Elizabeth Heine)

You can't fight Founder's Hall. (Hollie Rutkowski)

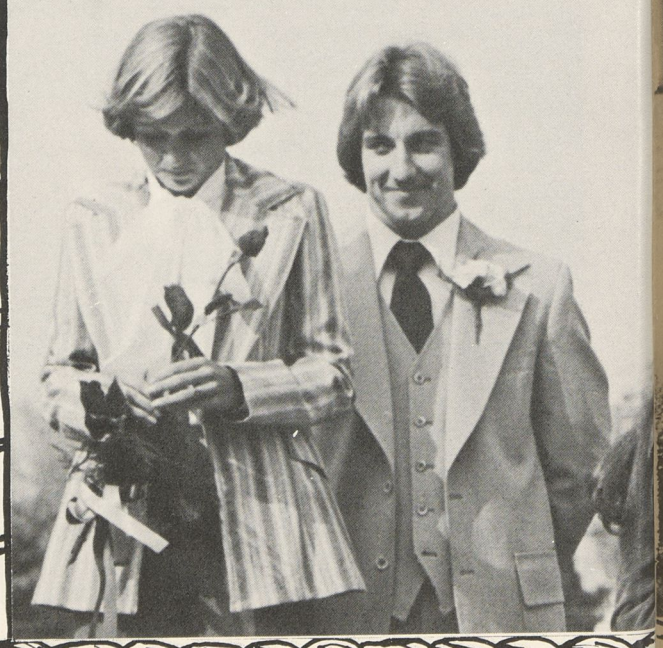

I've come just a little bit closer to finding the elusive niche in the universe that is mine – – and mine alone. (Bill White)

"In the four years at Juniata we got very close to people because we lived with them. During those years we saw many people come and go, some dear friends, others aquaintances, whom we never saw again but sometimes recall. Some of our friends whom we are very close to now we'll be close to forever, some whom we think we'll never lose contact with, fade away, some we will never see again, others we will become close to as time goes on. Once again we realize that Juniata is merely a crossing in the road of life. It doesn't really matter where we've been or where we're going on that road, but that we have shared these times together. For it is the remembe-rance of each other and these times that will bring us back again."

"When we look ahead we wonder how it will be to see each other again when time has passed. Maybe we'll run and hug each other and even cry and we'll be so happy and then we'll talk for hours. How will we look, will the years show? Will time seem strange and make us feel old?

Soon there there will be so much unshared, so much to explain. Will we ever have time, will we ever know each others feelings and minds as well again? When will we meet again? Will we ever? We don't know, we can only hope."

*Seniors not pictured

To once be surrounded
By innocence and beauty
To glide as easily as
A soaring jet above . . .
no pain, no shame,
no guilt.
To take off into limitless space
Then land at random ports
Of new and exciting experiences.

Slave Auction

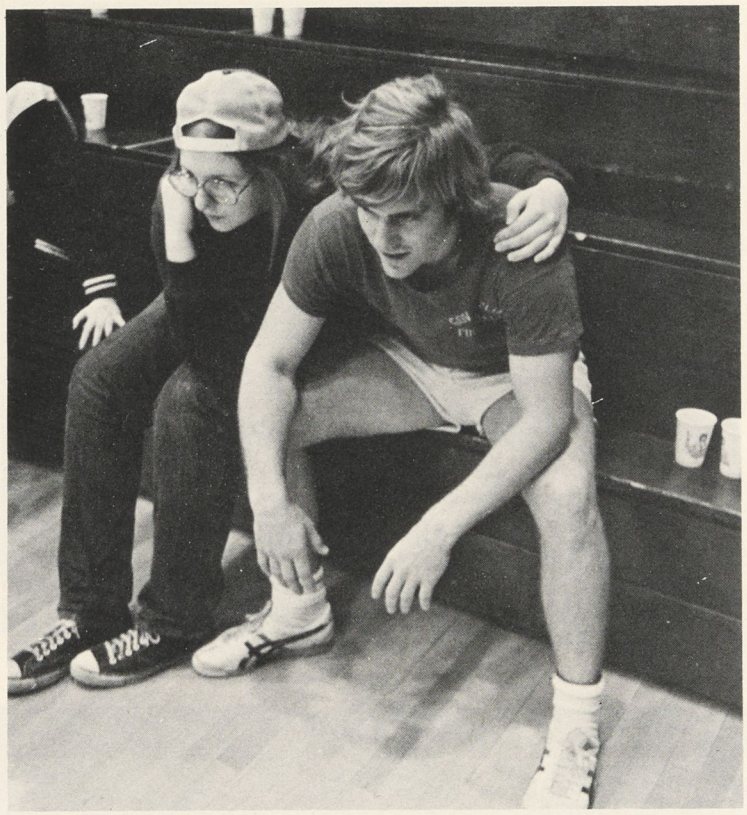

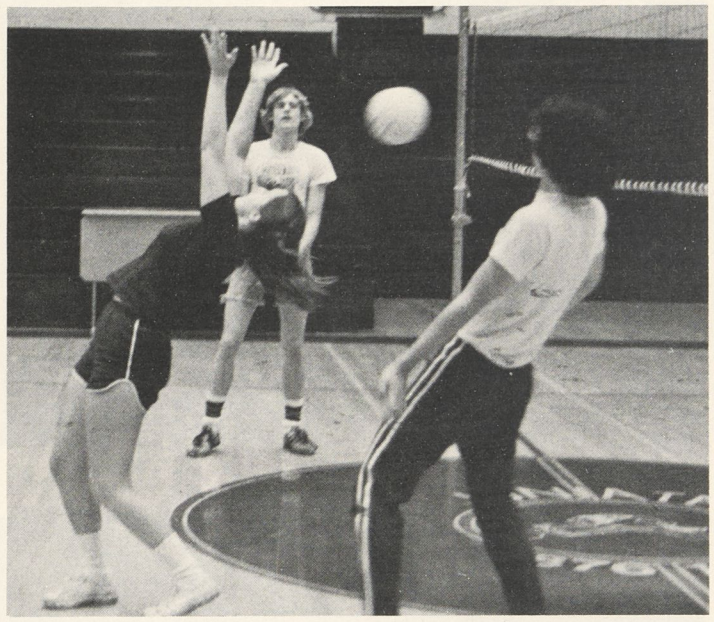

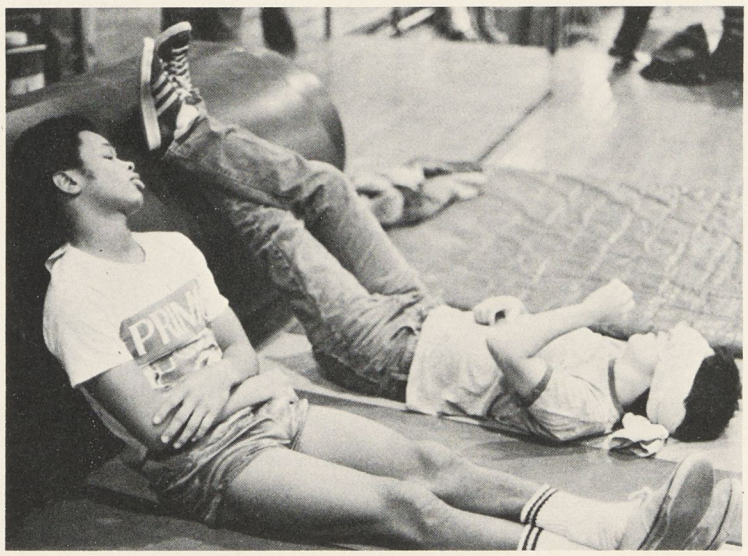

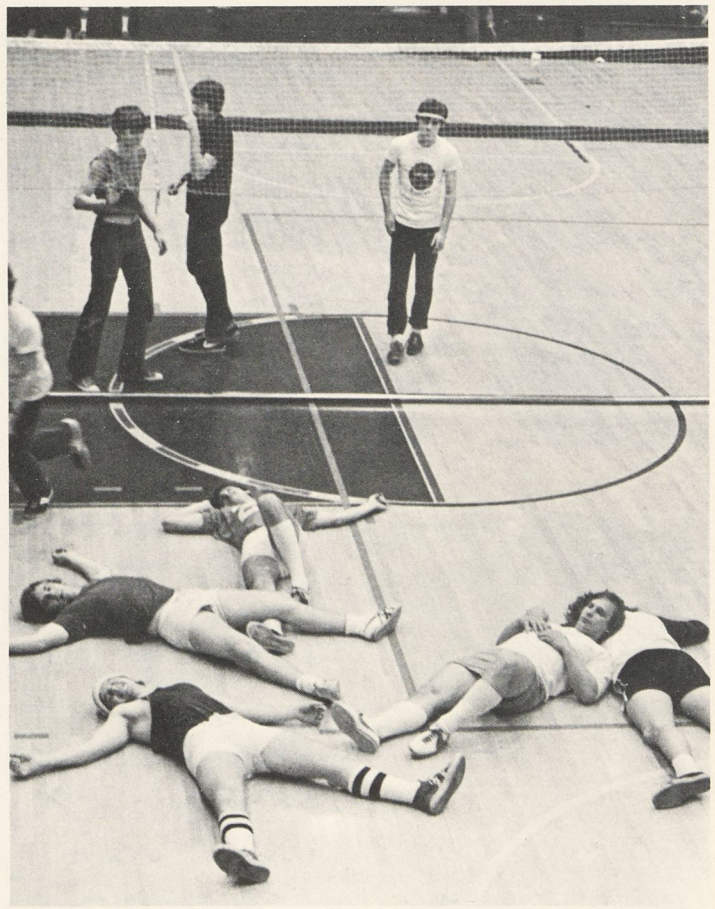

This year's **freshmen class** held one of the most profitable **slave auctions** in Juniata's history. Freshmen men and women were sold to the highest bidder to clean rooms and cook meals for their **"masters".** An added attraction was the auctioning off of the **Mystery Slave.** A good turnout from both freshmen and upperclassmen made the evening a success.

MS Marathon

Circle K held a **volleyball and dance marathon** for the benefit of **Multiple Sclerosis** in December. Four volleyball teams and seven dancers survived the **twenty-six hours,** sleepy and with sore feet. The volleyball team which raised the most money was captained by **Cara Kelham,** and the winning dancers were **Cal Rhodes** and **Marj Porter.**

Mountain Day

Students, faculty and administration took a day off and headed for **Greenwood Furnace State Park** for **Mountain Day.** Activities, such as volleyball, hiking and frisbee got everyone in shape for the big events: **tug-of-war, the egg toss, and lunch.** The **freshmen women** emerged as champions of tug-of-war, and in the **football game** betwen faculty and seniors, the **seniors won** by a score of **14-7.** Despite the questionable weather, Mountain Day '77 will be remembered as one of Juniata's happiest traditions.

Halloween Dinner

The **Food Services staff** provided students with a variety of special meals this year. **Steak and shrimp nights, Western Night** with Mom's square-dancers, **Valentine Dinner** and a **Spring Breakfast** buffet added a special touch to cafeteria meals. The dinner allowing students to let their creativity and imagination run wild was the traditional **Halloween Dinner.** Jack O'Lanterns glowed on the tables as the Three Little Pigs and a Monopoly Board roamed the cafeteria.

Homecoming

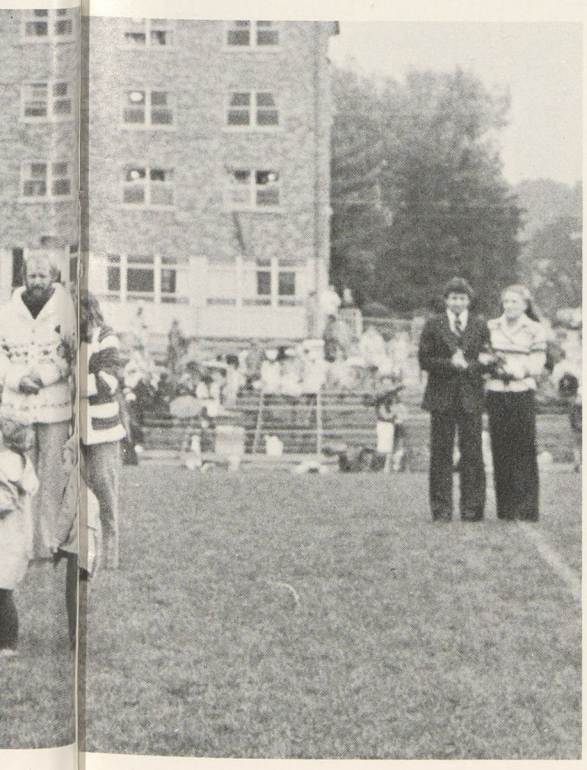

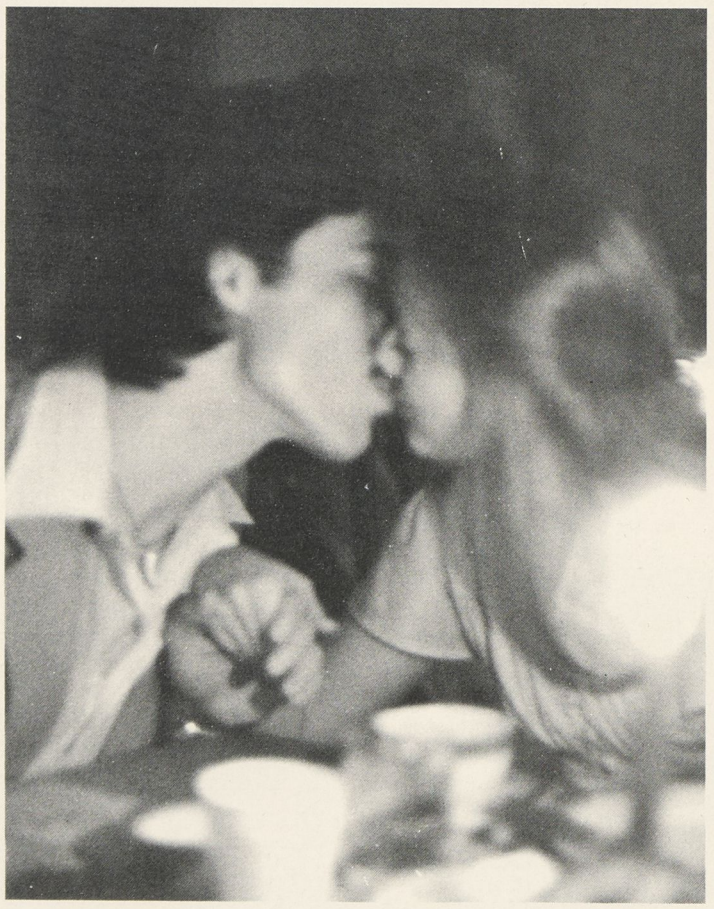

"Colors" was the theme for this year's **Homecoming Weekend.** Although the skies were a disheartening grey, the football team cooperated by knocking Susquehanna black and blue. Colorful floats by the classes and clubs carried through the theme. This year's Homecoming Court was made up of **Senior Laura Fillman** as Queen, escorted by Senior Bill Brunner; **Senior attendant Priscilla Grove,** escorted by her brother, Terry Grove; **Junior Alison Reeves,** escorted by Junior Steve Volle; **Sophomore Amy Bolt,** escorted by alumnus Karl DiPietro, and **Freshman Audrey Artz,** escorted by Freshmen Greg Rollins.

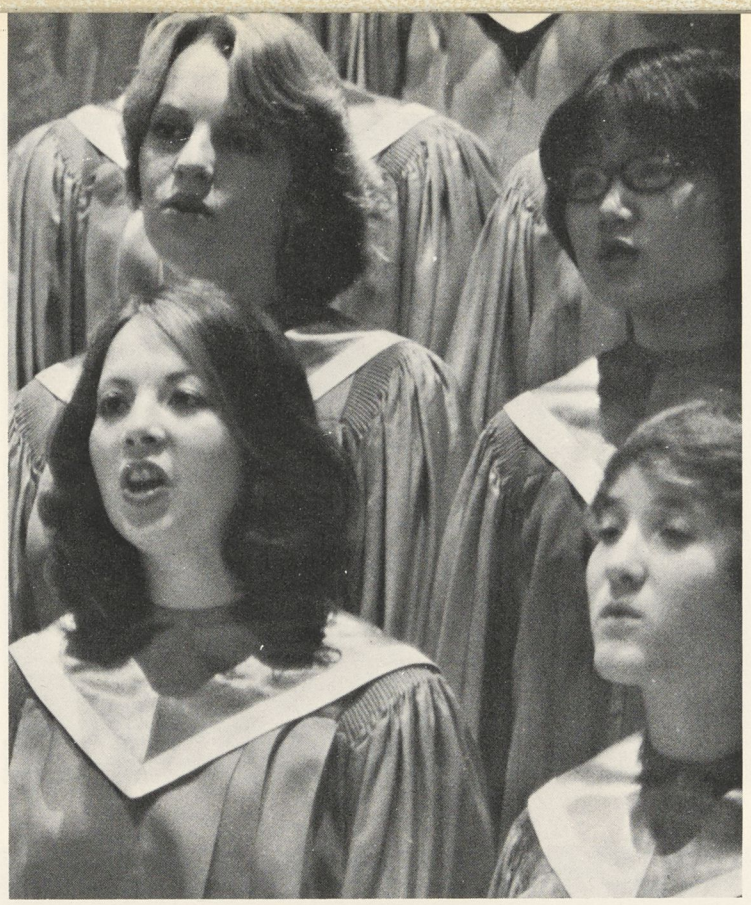

Madrigal Dinner

The **Madrigal Dinner** was a magical evening for many. Members of the **faculty and administration** waited on students by candlelight, and **Santa Claus** made the round with a bag full of goodies. The **Juniata Concert Choir** and **NowTime Singers** provided musical entertainment, with everyone present joining in for one song. The evening closed as each person lit a candle and wished his neighbor **"Merry Christmas!"**

Concerts and Coffeehouses

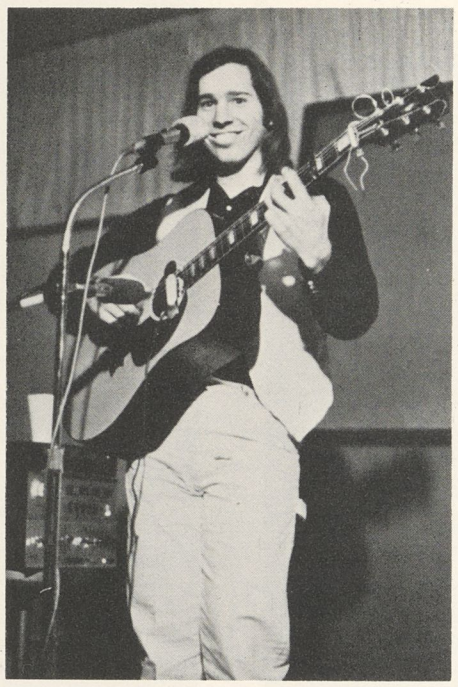

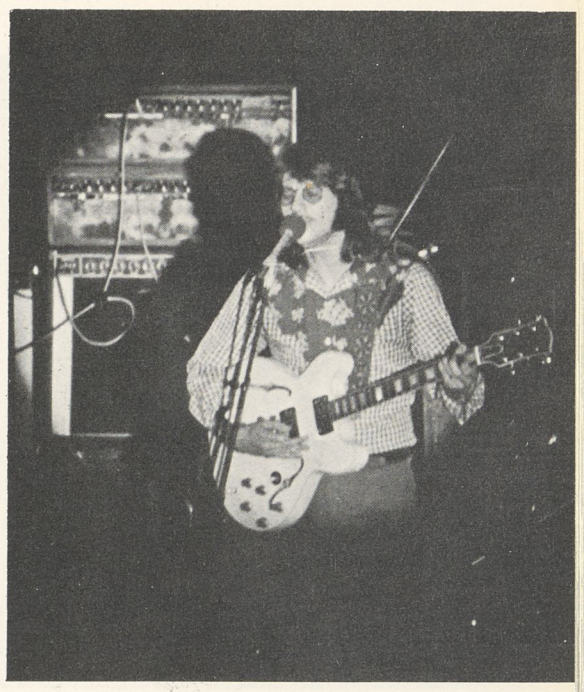

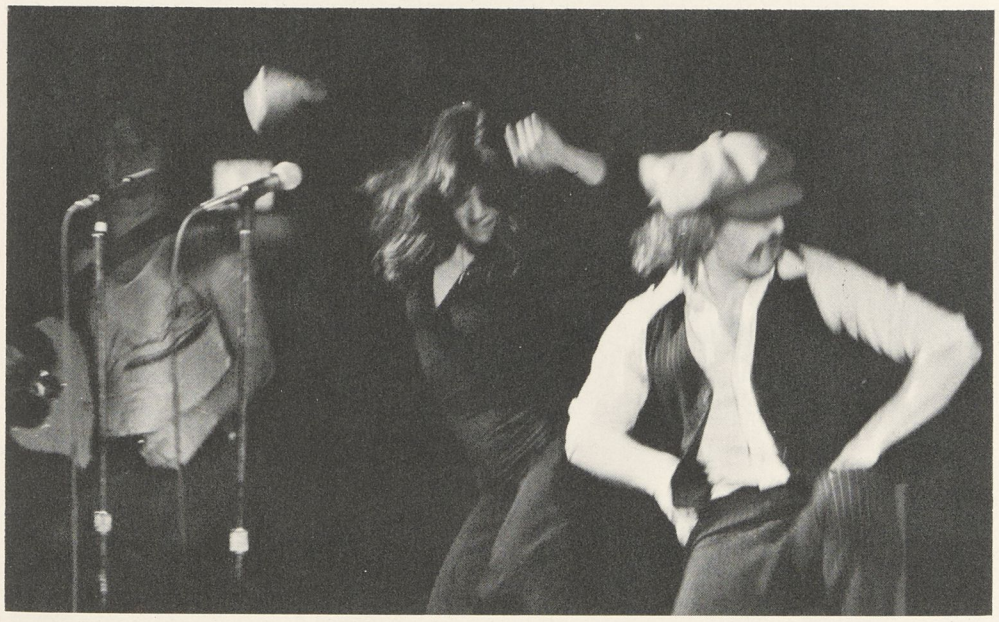

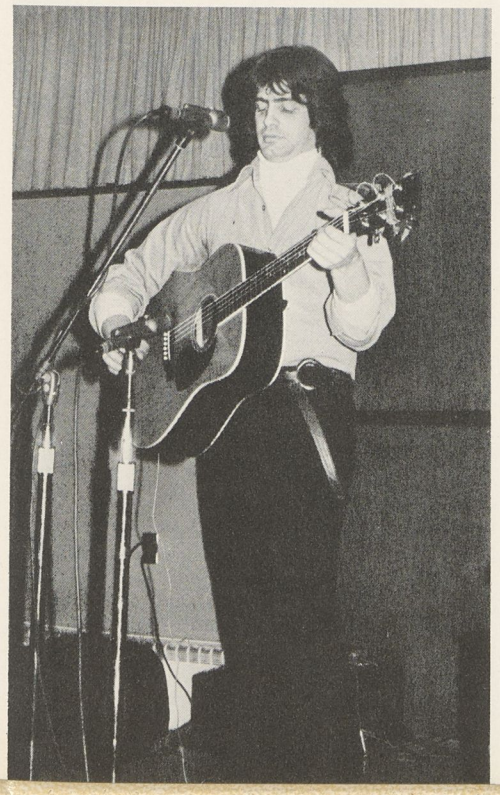

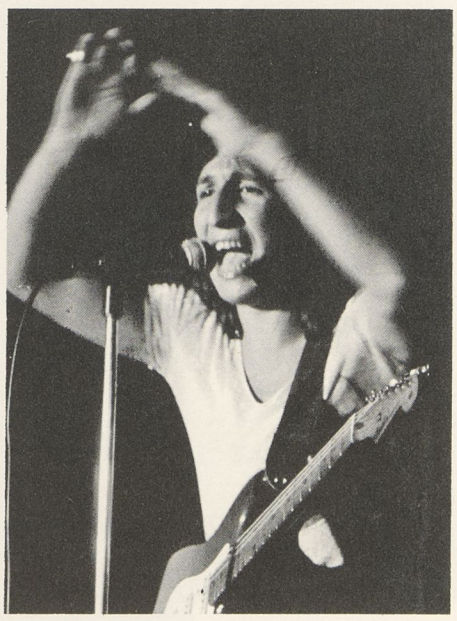

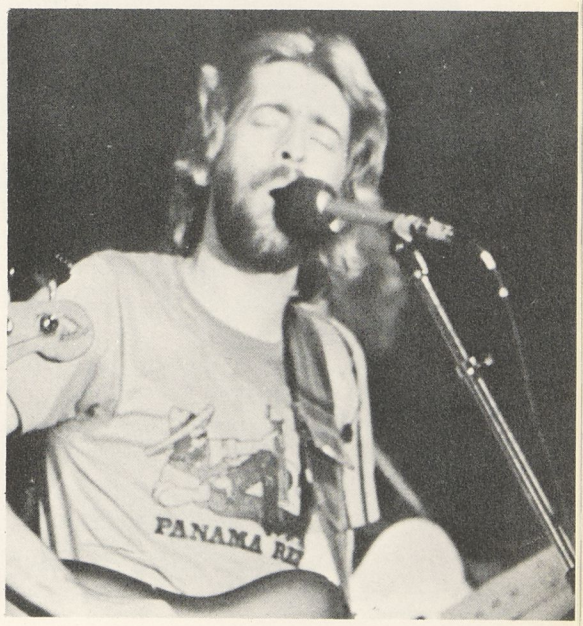

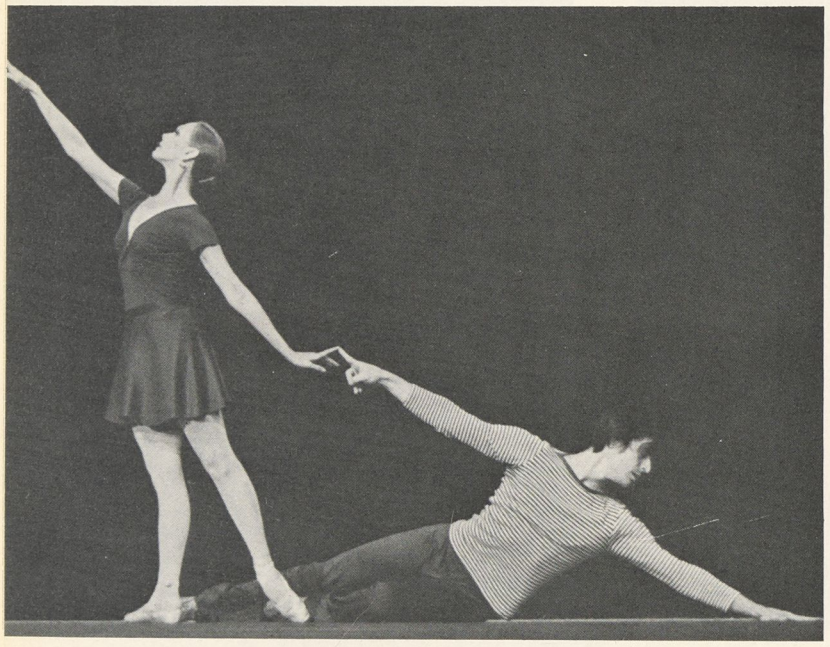

Among our musical performers, the 1978 year saw the likes of **"Johnny's Dance Band", "New Riders of the Purple Sage"** and **"The Richie Furay Band",** all performing in **Memorial Gym. Coffehouses** were held in Sherwood Basement with standing room only on many occasions **Kevin Roth** seemed to be one of this year's favorites, accompanying his bawdy folk songs on his mountain dulcimer.

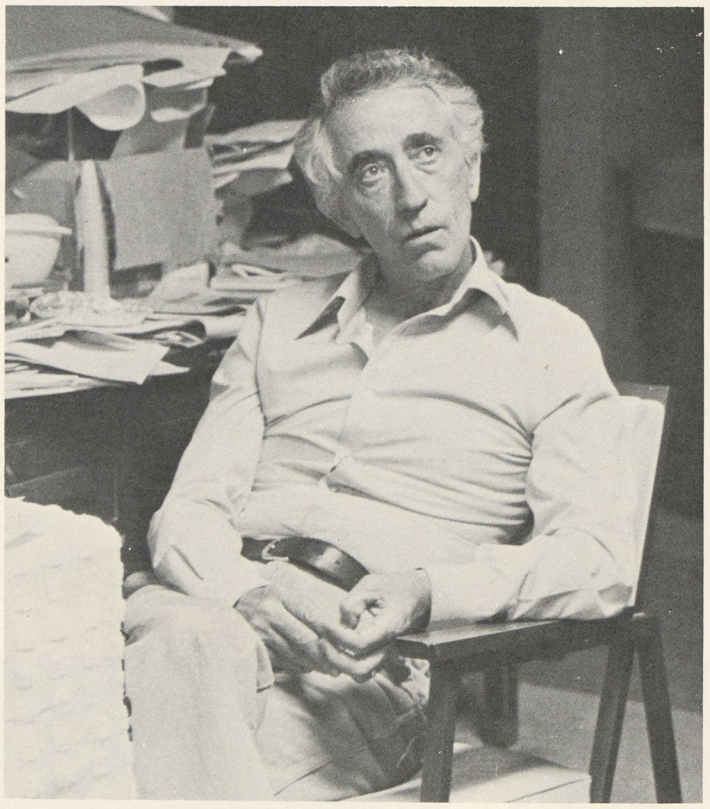

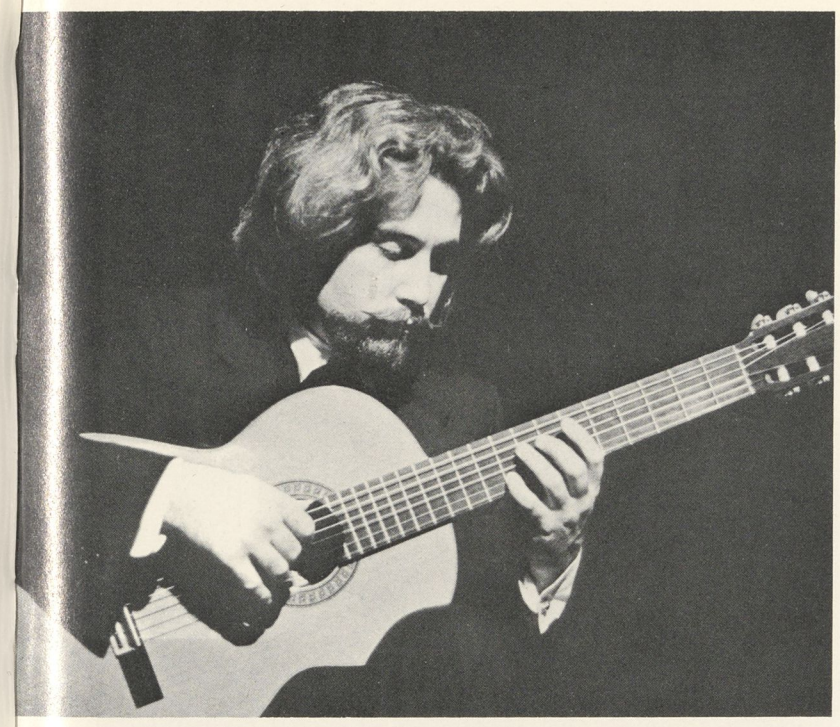

In its continuing endeavor to promote cultural and aesthetic programming at Juniata College, the **1977-1978 Artist Series,** through the sponsorship of the college Center Board, proudly presented to the college and regional communities a series of eight performances within the nine month school year. This series has been supported by the **Ellis Humanities Endowment,** the **Folsanger-Murphy Endowment,** several other sponsers, patrons, and the sale of season tickets.

ARTIST SERIES

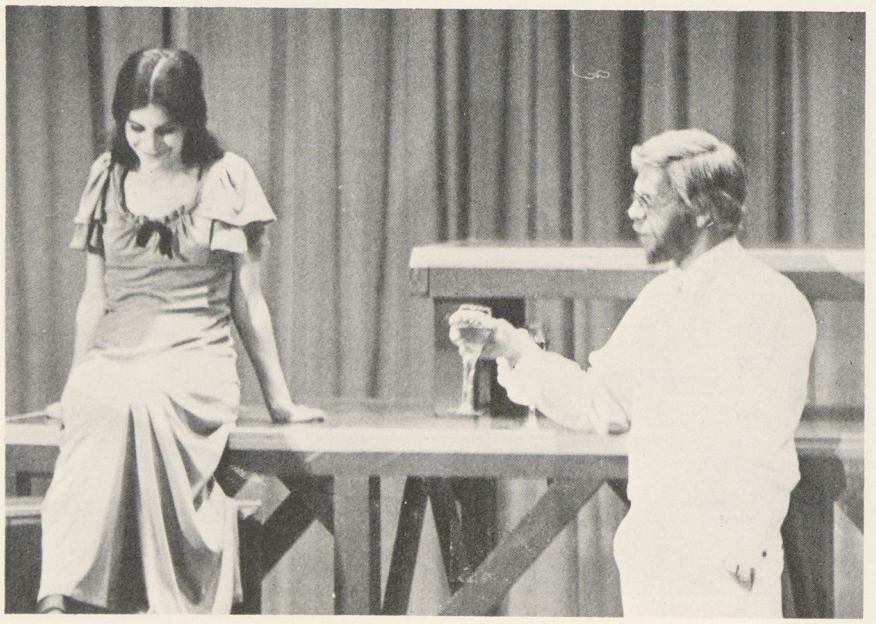

This year, the **Artist Series** offered such entertainment greats as: the young, brilliant, classical guitarist, **Turan-Mirza Kamal**; one of the most widely appreciated, exciting male dancers of America, **Edward Villella**; the amazing, spell-binding virtuoso performance of the young mime, **Keith Berger**; the story telling modern dance company from Pennsylvania, **Danceteller**; the Metropolitan Opera's lyric coloratura soloist, **Loretta DiFrance**; Yogoslav string ensemble, **The Tartini Trio,** in its first American tour; a giant of jazz history and member of the Jazz Hall of Fame, **Dizzy Gillespie** and his touring trio; and a national touring repertory company, **Theatre Express,** presenting the Word Baker production of **Son of Arlecchino.** The college was also enterained by a guest performance by one of America's greatest comedians — **Pat Paulsen.**

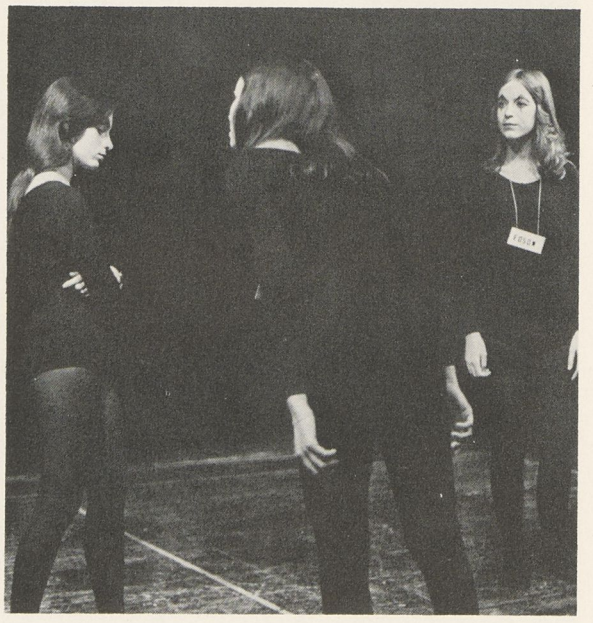

J.C. Play Productions

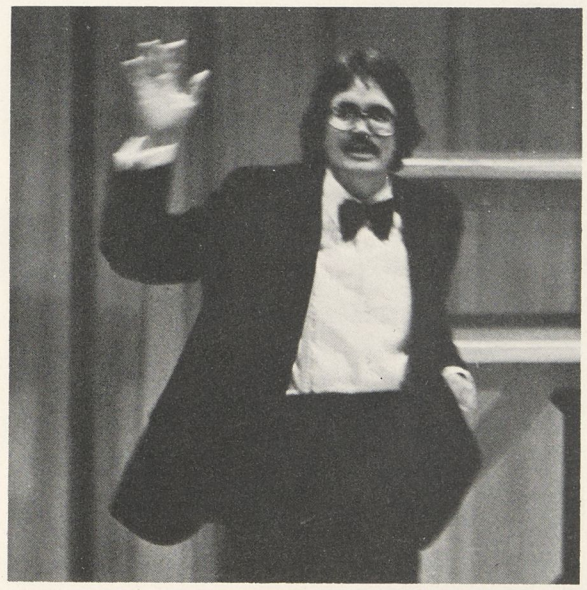

J.C.'s resident actors and actresses were busy as usual this year. Their repetoire varied from **"The Red Shoes"** performed for children visiting campus, to a limited seating performance of Jean Anouilh's **"Antigone".** A set of **5 One Act Plays** including **"The Dumbwaiter"** chose to seat their audience on stage with the performers. A romantic comedy/drama was performed in a play called **"The Picnic"** and was enjoyed by many campus theatre-goers.

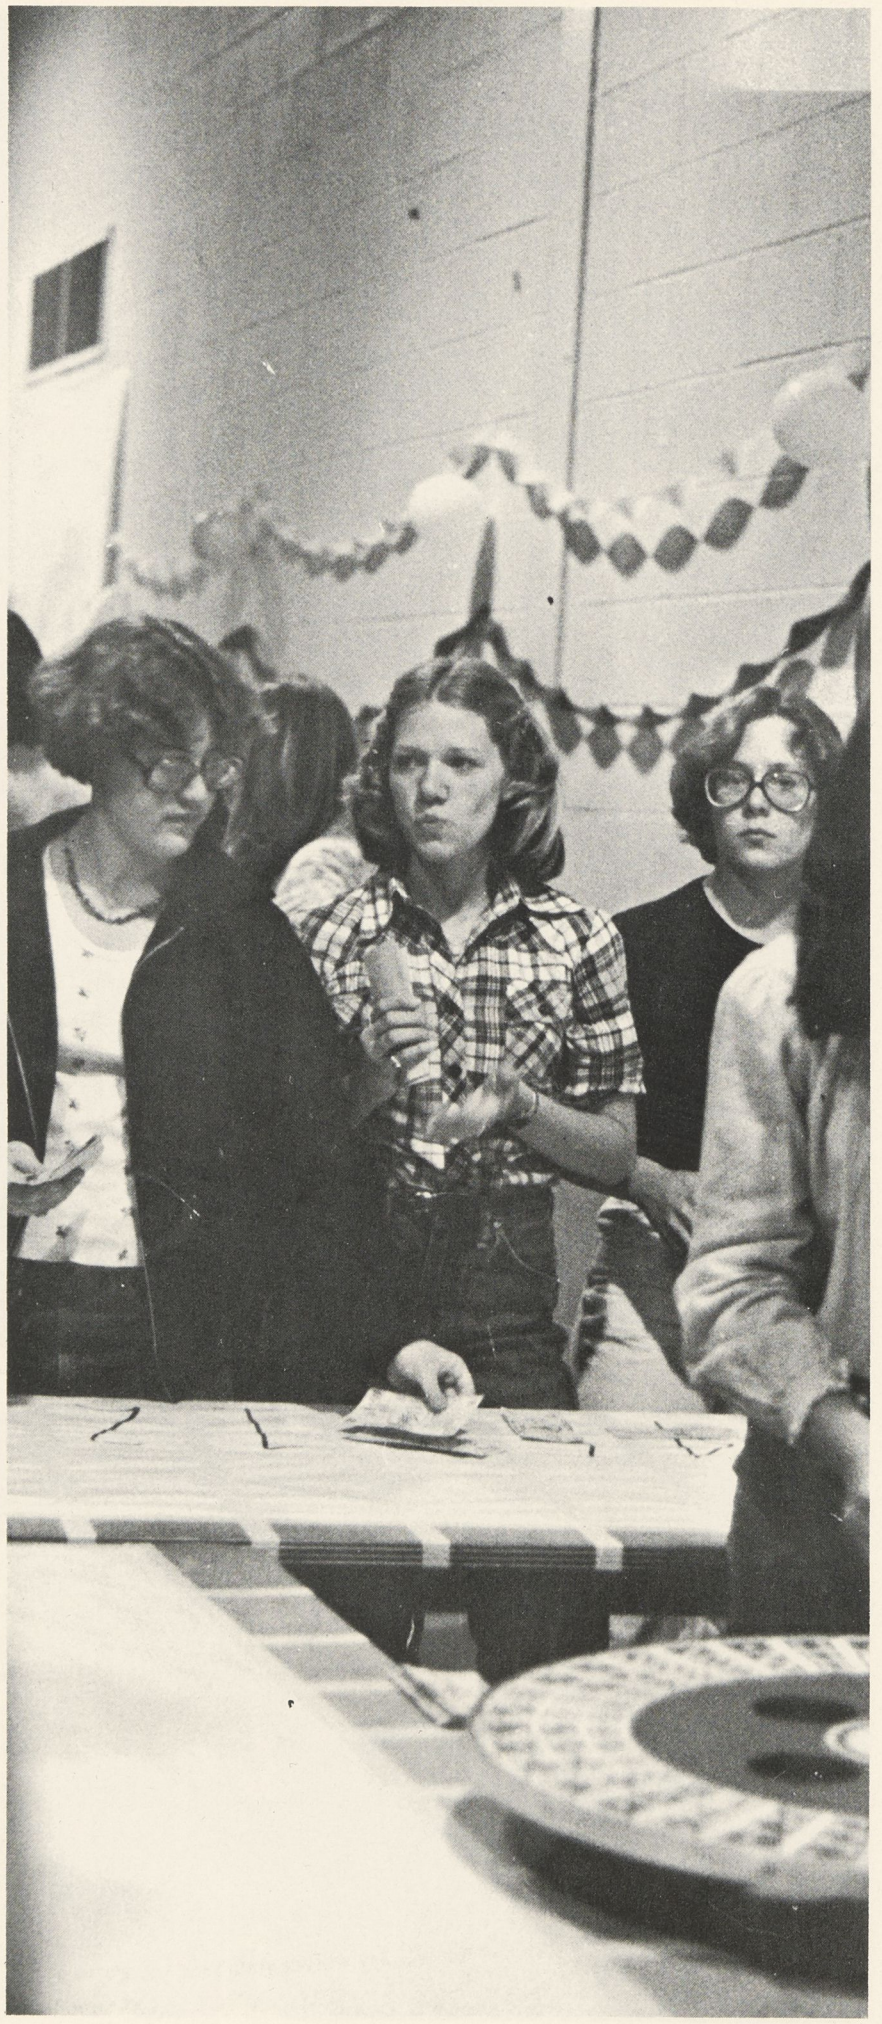

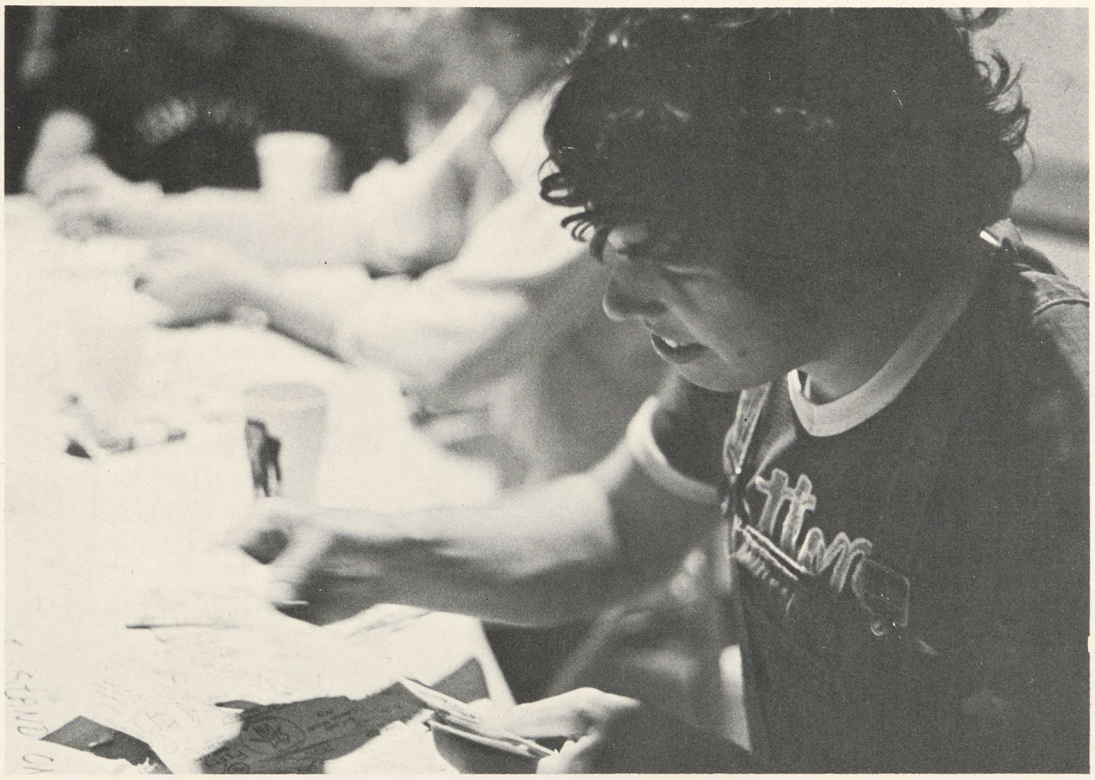

CASINO NIGHT

This year's **Casino Night,** held in **Tussey-Terrace Lounge,** was a great success. Everyone attending, supplied with huge sums of **play money,** tested their skill and luck on the dice wheel, the poker game, and the gerbil races, and their endurance on the refreshments. Last year's location, the old gym, allowed for both the casino area in the basement and a live band for dancing on the main floor. Although the cramped conditions of this year's arrangements did not permit the band, dance or scale of last year's event, the gamblers enjoyed themselves, nevertheless.

MAY DAY BREAKFAST

May Day Queen and **King,** as well as the attendants and their escorts, nominated by a committee of students, faculty, and administration and elected by the students were the following lucky people. From the **Freshmen Class, Wendy Chamberlain** escorted by **Daryl Regal,** and **Amy Bowser** escorted by **Hank Hallowell;** from the **Sophomore Class, Marj Porter** escorted by **Dave Shober,** and **Nancy Zinkham** escorted by **Bill Kepner;** from the **Junior Class, Sue Stapleton** escorted by **Rob Schoff,** and **Annalisa Mulhollen** escorted by **Jeff Hartman;** from the **Senior Class, Jan Edgar** escorted by **Scott Letcher,** and **Priscilla Grove** escorted by **Tom Gibboney.** **The May Day Queen** was **Wendy Jacobus** and her **King** was **George Rung.**
The event honored accomplished women of the college community. **Nancy Shed,** a local historian and a graduate of Juniata spoke at the May Day Breakfast, at which the attendants, their escorts, and the Queen and King were announced. **Nancy Davis** and **Gayle Kreider,** both of J.C.'s Admissions Department, were honored for their professional achievements and involvements on campus.

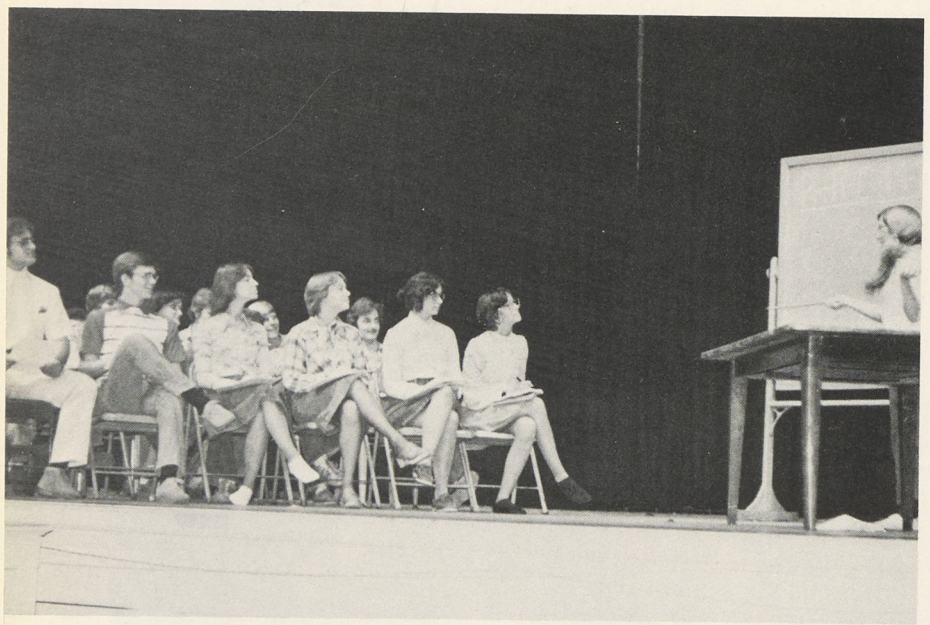

All Class Night

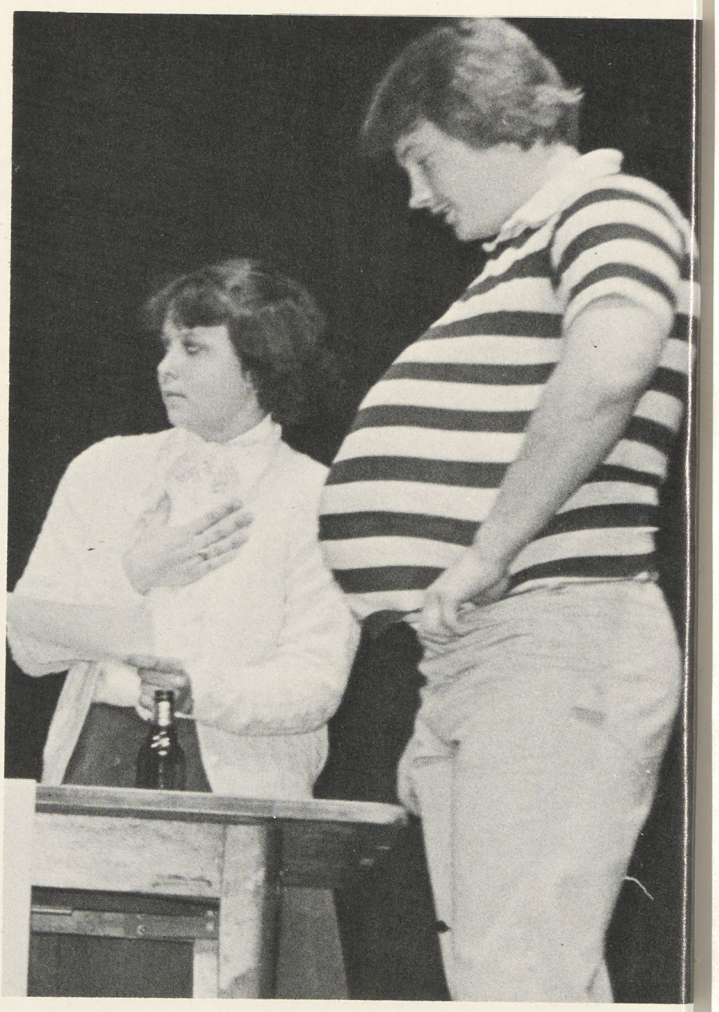

The efforts to salvage **All Class Night** were more than successful as administration, faculty, and students all expressed a very positive feeling about the entire evening.

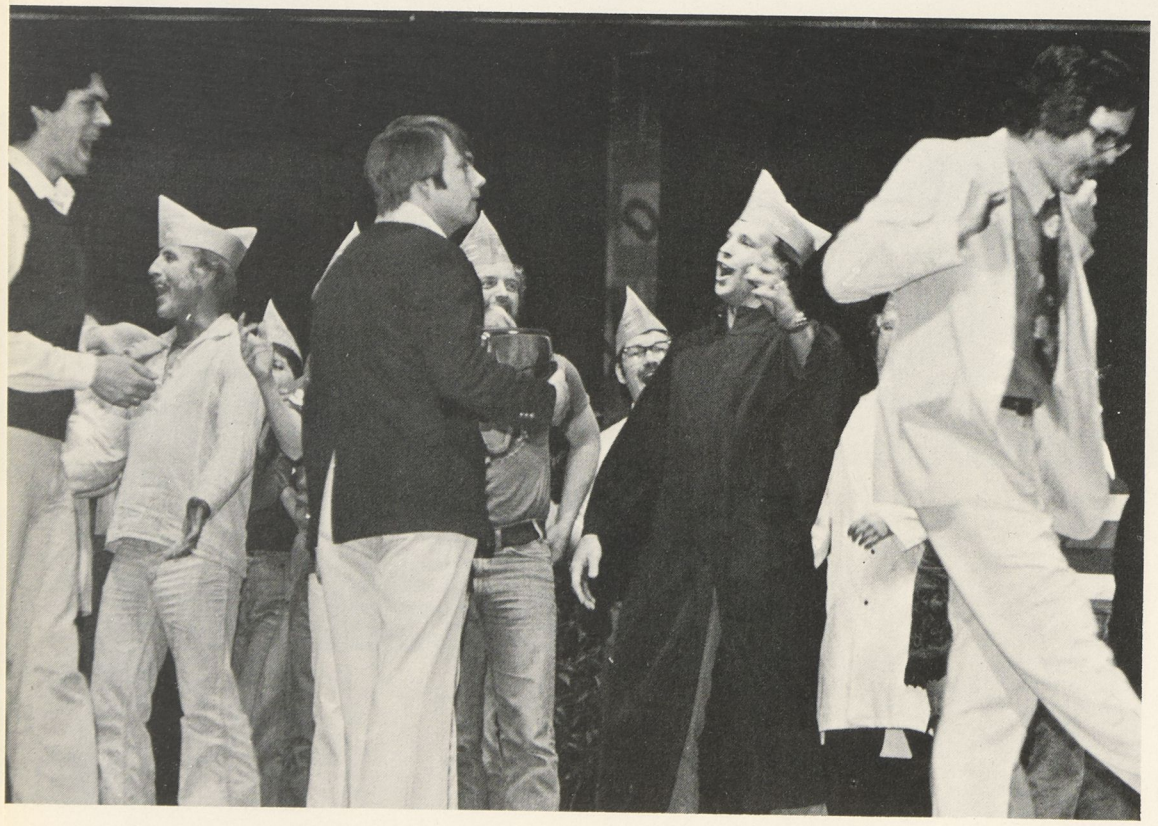

Perhaps the most entertaining play of the evening was brilliantly presented by the **faculty. Bruce Davis'** first appearance on stage was accompanied by thundering applause. In his part of **Guido,** the mainstay of J.C.'s Admissions Staff, he sells J.C. to a prospective student. Everyone enjoyed the cunning satire of the faculty play.

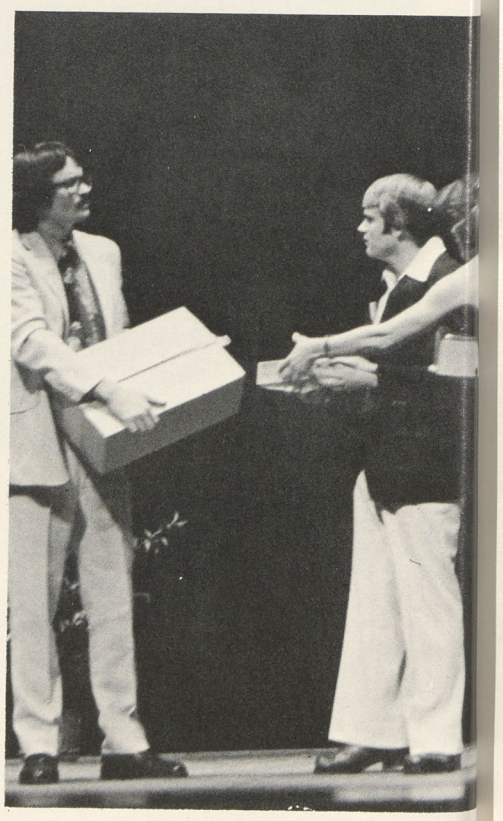

Freshmen upheld the tradition of **Last Place** with **"Everything You Wanted to Know About Juniata, but Were Afraid to Ask."** Better luck next year!

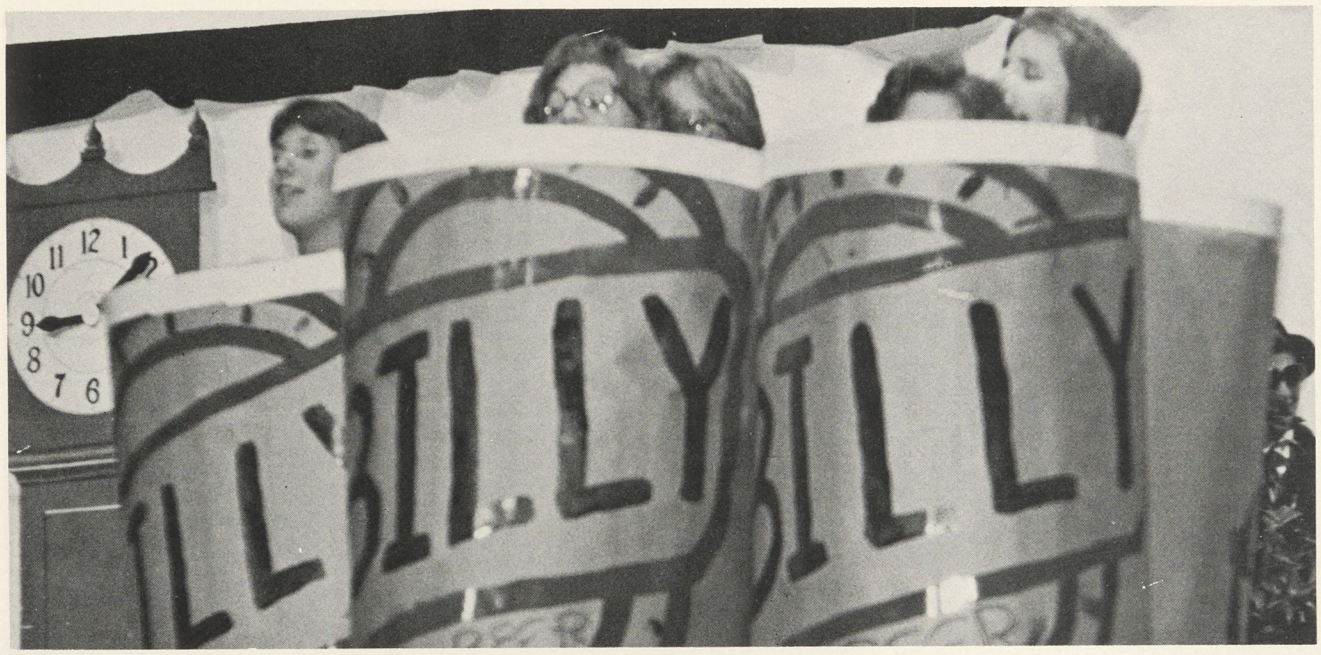

The Sophomore Class pulled **1st Place** out of the hat with their version of **"A Day in the Life of Carter."** We saw everything from Billy Beer to Farrah Fawcett. What'll they think of next year?!

All Class Night

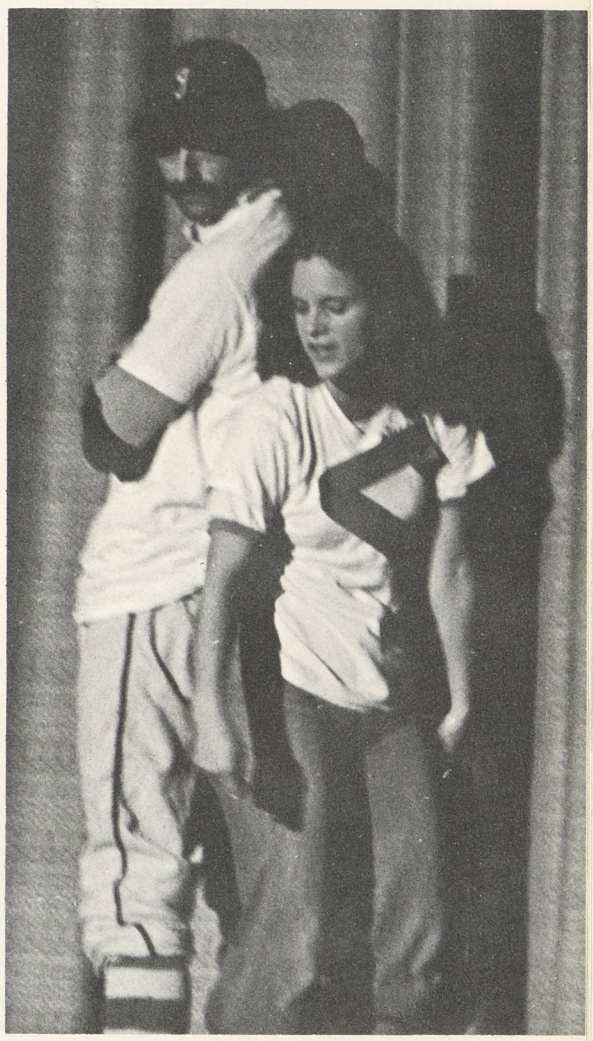

Well the **Class of '78** seems to be stuck in **2nd Place** for eternity – 3 years in a row – that deserves special recognition. Just remember, **"We try harder."** This year the **Senior Class** had a lot of fun putting on **"East House story."** If you watched closely, you could see a resemblance to another great play – something about the West though. Anyway we had fun practicing the disco scene.

And in **3rd Place** the **Juniors** put in an excellent performance of **"The Wizard of Snoz."** What a great quartet – and Toto makes 5! With Philly and Pittsburgh fighting it out, the munchkins drank all the Iron City! A **first** in J.C. history – **the All Class Night Party** held in **Memorial Gym.** We had live music, punch and hor d'ourves. We all hope it will become a J.C. tradition, thanks to the **"Friends"** of the College.

Last but not least, thanks to **The Circle** for performing at half times between skits – good work!

Raft Regatta

Despite the interferences of the wind and the rain, Juniata's annual **Raft Regatta** took place as rescheduled. Out of the original thirty-three entries, four cancelled, but the rest bravely competed against other rafts and the elements, although a few did not make it to the finish line. The judges, whose conoe **capsized** about halfway down the course, were **Bruce Davis, Greg Giebel** and **Liz O'Connell.** The rafts were judged on position, 150 points for the first place with 25 points less for each following place, construction, 50 points, with 5 points dropped for each following place, and theme, points valued the same as construction.

First Place went to **Bob Boeren's raft,** constructed of wood and styrofoam, which took second in position and second in time. **Second Place** went to **Jane Jones' raft,** constructed of wood and inner tubes, with a winning time of two hours and twenty minutes.

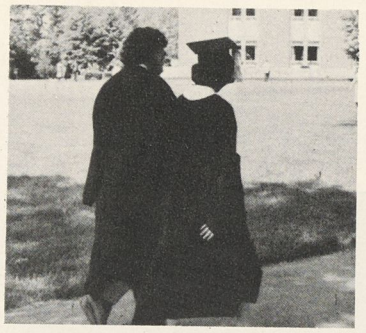

COMMENCEMENT 1978

This year's **Commencement Exercises** began with a beautiful sunrise and the warmth lasted all day. Baccalaureate came around a bit too early for some, but all, well almost all the graduates made it. **Dr. Robert W. Neff,** General Secretary of the Brethren Church, gave an interesting speech entitled **"The Stars at Midnight".** Luncheon served in the caf added to the excitement of the day with family, friends profs and "about-to-be-grads" trying to find a seat. Most seniors though were either too busy or too nervous to eat, talking with best friends and meeting "the family".

Commencement exercises held in Memorial Gym were a bit close, but all was forgiven when Dr. B. shook your hand and handed you that navy blue case within which your past 4 years was framed. A cheer went up after diplomas – we finally did it!! **Mr. Martin Meyerson,** President U. of P., gave the 1978 Commencement Address.

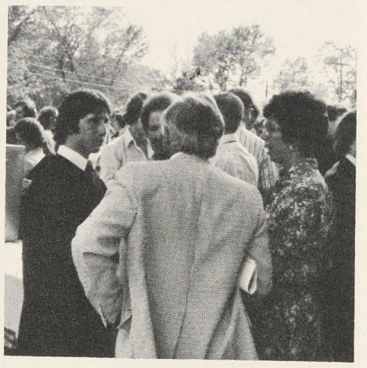

Punch and Congratulations were held on the Quad, with a few tears being shed, some for the years past and the rest for the years to come.

When we all awoke to inches of **snow** covering the campus and crawled snuggly back to bed, the **Ruggers** bravely dressed in their shirts, shoes and shorts and played their scheduled game! Even though the men's basketball season was not up to par, there were a few significant highlights. **Roger Galo** moved into **5th place** on the all time Juniata Scoring List with **1,110 points** and the Tribe managed to **beat Scranton,** who was then ranked #1 in the nation! On the other side the team sorely missed **Wilt Grzesiuk** who was out the latter portion of the season with a broken ankle. The Indians, under the coaching of **Pat Fraizer,** dribbled to an **8-15** record overall, coming on strong in the last half of the season.

Women's Basketball

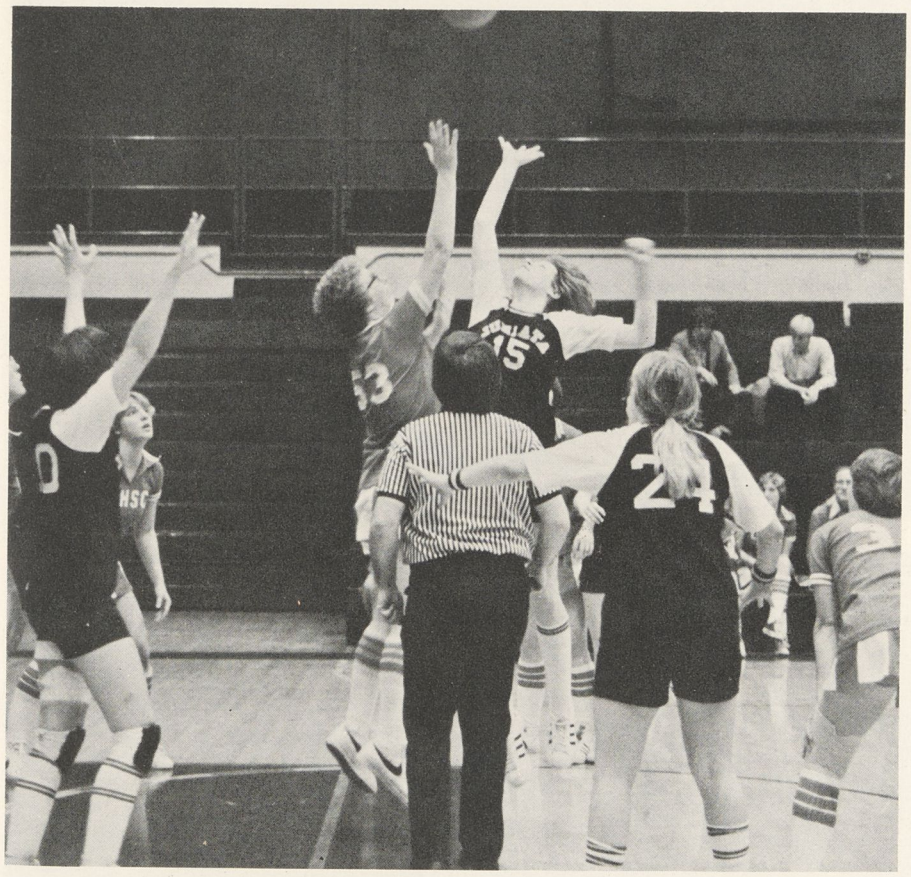

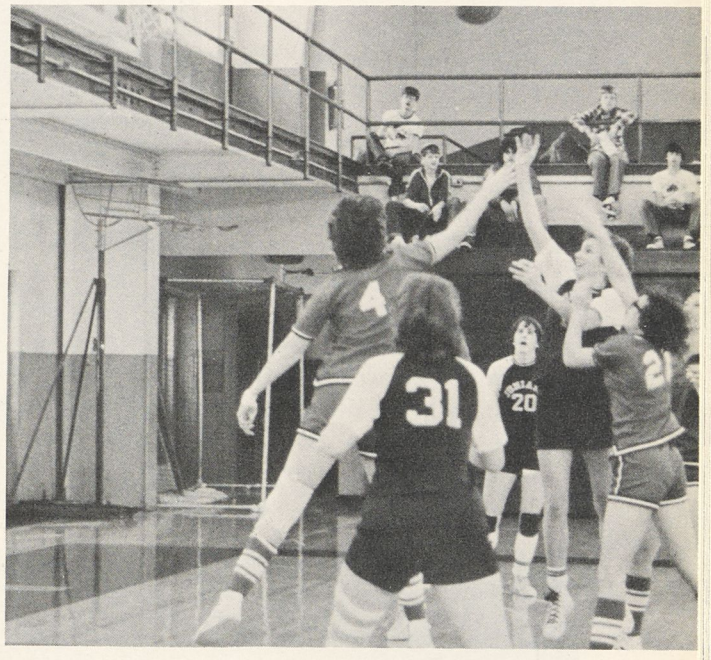

(L.-R.) Back: M. Klockner (manager), J. Jones, J. Edgar, N. Zinkham, J. George, Coach N. Harden, K. Swanson, S. Stapleton, S. Benusa, H. Morrison, M. Porter. **Front:** J. Bechtel, A. Reeves.

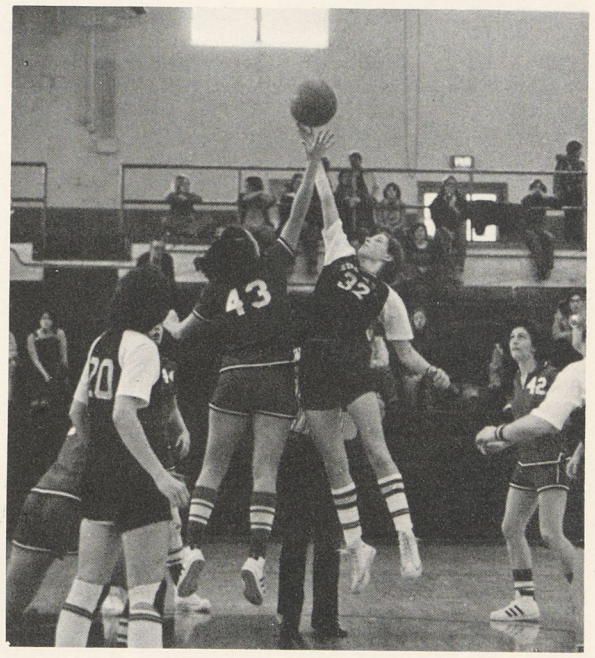

Although finishing at a disappointing **5-9,** the J.C. women were sparked by outstanding individual performances. **Nancy Zinkham** paced the Indians with many **record-shattering** games, while **Jan Edgar** became the **leading scorer** in Juniata history.

Track

This year's **track team,** under the direction of **Coaches Rossi** and **Rogish,** was made up of several J.C. veterans, backed up by ample freshmen. J.C. started its spring season with an impressive win over Susquehanna **(93½-51¼).** By mid-season, the team stood at **3-1** with dual victories over Albright and St. Francis. When contested with Lycoming, J.C. took **14** out of **16** possible events, thrashing L.C. on home ground.

The Middle Atlantic Conference Track and Field Championships held at Ursinus College was paced by junior **Bob McNelly.** The Indians **scored 25 points** and **captured 5th place** overall in the meet. **McNelly** captured **1st place** in the 440 intermediate hurdles with a time of **53.9,** breaking his own freshman record.

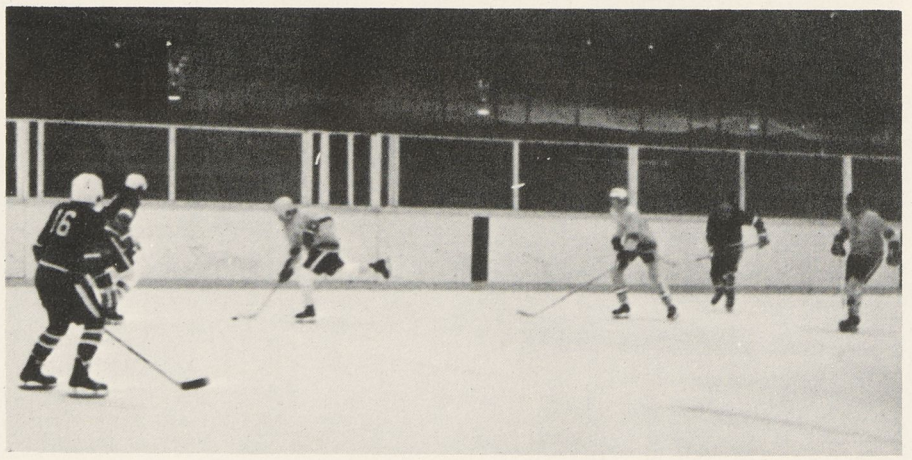

Ice Hockey

Opening its **6th season** at J.C., the **Ice Hockey Club** added Dr. Donald Mitchell as advisor to Coach Paul Heberling to help strengthen the 15 member team. The **1st** game of the season ended up a **5-5 tie** against Lockhaven at PSU. A supurb **"hat-trick plus one"** performance by freshman **Coy Butler** clinched the tie. The **1st win** of the season was a spectacular game against U. of P. at Bradford (5-2). With **mucho** time in the penalty box – 16 minutes – J.C. still played brillantly to end with alot of good skating.
All in all, the team had a good season with some promising new players to keep the **Icers** on the upward trend for the years to come.

Baseball

The Indians finished up the season schedule with a **14-7-1 record.** The Tribe was idle for most of May, missing doubleheaders with I.U.P. and Lock Haven. The **fourteen victories** are the most ever recorded under **Coach Bill Berrier** in a single season.

Juniata College's Langdon Field was selected for the site of the **NCAA MID-REGION DIVISION III** baseball tournament in which the Tribe participated.

First Row: D. Wood, N. Becker, M. Mark, unidentified, M. Morgan, J. Jones.
Second Row: P. Bartlett, M. Straka, P. Erb, E. Levengood, D. Smith, S. O'Neill, P. Daly.
Third Row: J. Zimmerman, T. Longenecker, M. Stone, T. Gibboney, unidentified, C. Lyons, D. Reigel, Coach B. Berrier.

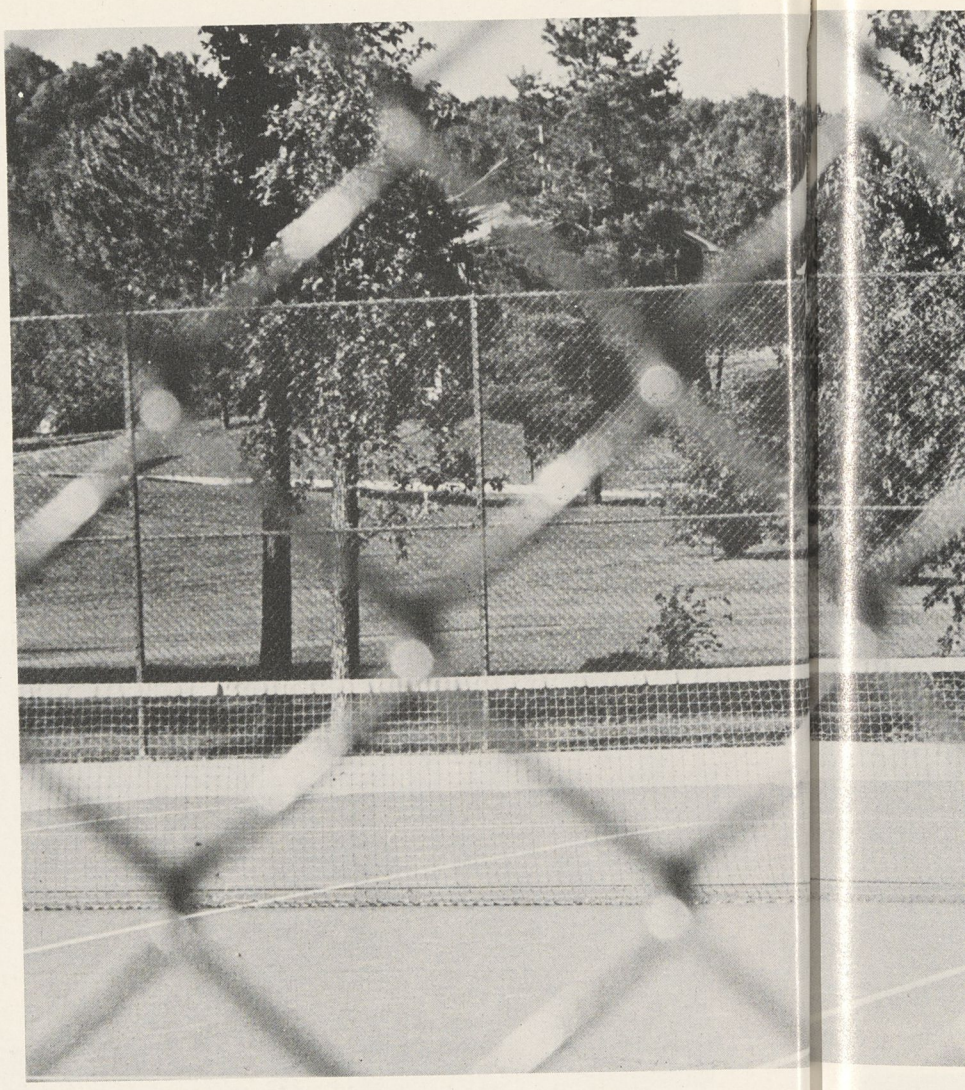

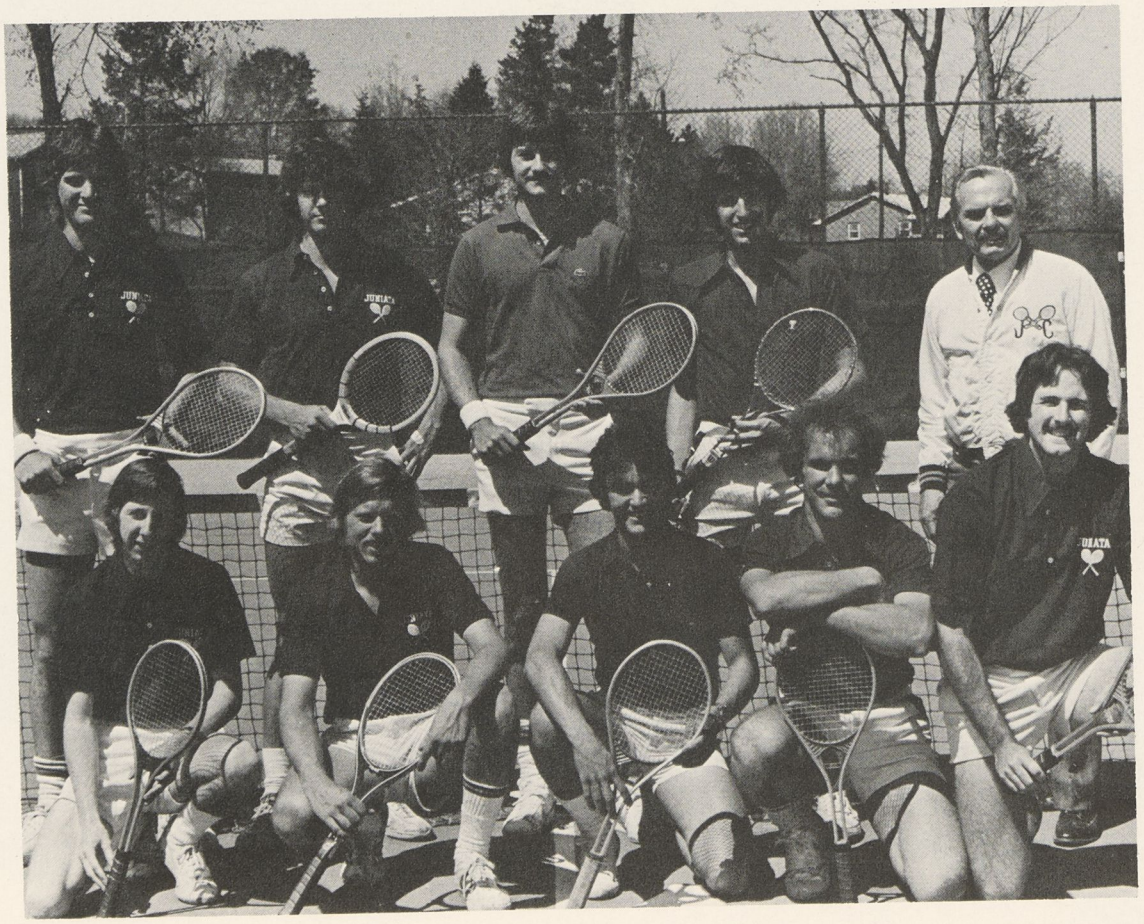

Men's Tennis

This year's **Mens' Tennis Team** was undoubtly led by not only the team's captain, but the man voted **Most Valuable Player,** Dave Shober. While the Indians lost their last five matches in recording their second straight losing season, Shober finished up at 8-2 singles, and 5-5 doubles. Among other regulars in singles, two juniors turned in the only winning marks. **Greg Norton** was 5-4 at second, while **Scott Van Der Beck,** a transfer from Short Hills, N.J., was 5-3 at sixth. In the MACs however, they were 2-2 in the Northwest Section, winding up third in a field of six. Due partly to schedule conflicts, **Coach Ernie Post** elected to send no representatives to the MAC Individual championships.

Women's Tennis

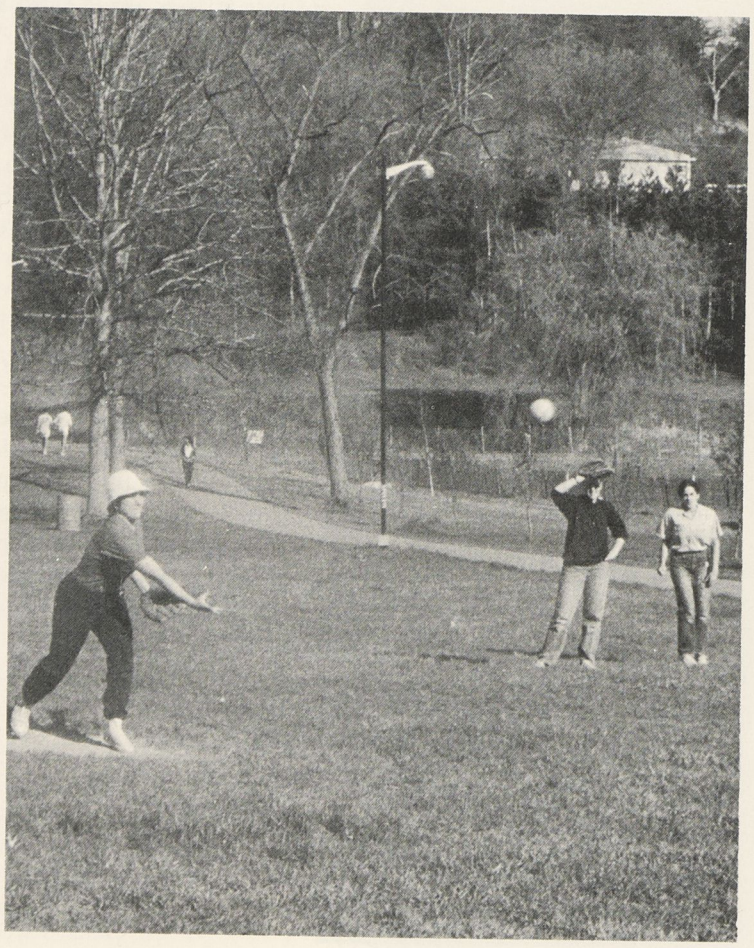

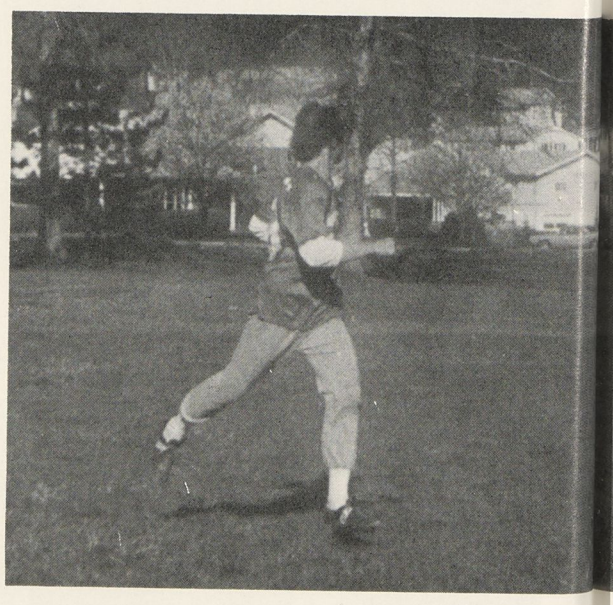

Coach Nancy Harden rounded out her 1st year at J.C. with the **Women's Tennis Team. "Nancy's Netters"** was a young team of 12 players, only one of whom was a senior. The rest of the team consisted of 3 juniors, 6 sophomores, and 2 freshmen. Losing their **1st match** to Shippensburg, the team made a comeback by defeating St. Francis in their second match of the season. By the middle of the season the team had dropped to 1-3. At the **MAC Tournament, Babe Broadwell** and **Cindy Updegraff** played some of their best tennis despite losing both matches. The team ended up the season with a **1-6** score, but already the girls are talking about next year's **better** season.

THE ALFARATA

To Everyone!

Well, this time it's for real – after 4 years I'm the one saying good-bye. Working on the ALFARATA has been a big part of my life here at J.C., but even though with all the problems, deadlines and long hours, I know I would do it again. I've worked with many creative and hard working individuals and I want to thank them all for their impressive work in turning out 3 beautiful yearbooks. I am proud to be associated with each and every one of them.

For me this past year has been one filled with new and exciting times, people and decisions. Of special significance have been 3 outstanding people – Fred Henderson, Fred Henderson,and Fred Henderson – the last may be a bit more special to me, but all three will always have a place in my heart. (I'll drink to that!) But would the Boy Next Door approve? Yea, he always knows what's good for me. Thanks for always being around to listen, Jerry, and now that I've vacated the premises, maybe they'll be time for your shoulder to dry out! And then there's 303 and 201 . . . thanks . . . you've all helped me make it through, it wouldn't have been the same without you all. Mike Gilroy – what more do I have to say . . . you'll never cease to amaze me! Good luck, Suzanne with the '79 book and you too, Jamie, you just gotta show that Keenan kid up. Likewise goes for you, too, Suzanne! Special recognition goes to Ann and especially to Kathy . . . boy, what they've had to put up with this year has been beyond belief, actually it's not really beyond belief . . . it's me. Thanks, my friends.

And finally, to all my fellow classmates, now alumni of dear ol' Juniata, I wish you all the luck one can possibly wish in one's lifetime for a world full of success, happiness and good times. In closing, a bit of Middle-Earth wisdom to remember: "All that is gold, does not glitter. Not all those who wander are lost." Think about it . . . see you all in 1988!

bye!
